## Moving

CAUBO has national agreements with two suppliers for moving and storage services. CAUBO rates are available to all faculty and staff working at University and College member institutions. The new agreements will be in effect as of April 1, 2022 and end March 31, 2025. **Extended to March 31, 2028**

Traditional moving services may include but are not limited to packing, unpacking, crating, warehousing services, coordination of third party services such as automobile, plant and pet transport, appliance disconnection and reconnection and other similar services.

Relocation Services have not been included in these agreements. However, both Armstrong and AMJ Campbell are able to provide references to companies who provide Relocation Services. Please contact these vendors should you require more information.
